The two-piece costume that we have worn for several years is no longer being made. All students dancing on the street will wear a red/black windsuit this year. Students who performed on the float at Mule Days (Primary and Kinder) will continue to wear the red velvet unitard costume. We will have used ones for sale (\$15.00) or you may purchase a new one. Parents may also purchase the windsuit. We will have sizes available for you to try in the store. Sample sizes from YXS-AXXXL have been ordered and should be in the office this week. The price for youth sizes (including screen printing, shipping, and taxes) is \$55.00. The price for adult sizes (including screen printing is \$60.00). The screen printing includes (first name on front left of jacket, large RENDANCE diamond logo on the back of the jacket, and small diamond logo on the pants). The DEADLINE to order and pay for the windsuits in November 10, 2009. The sign-up for windsuits is in the office/dance store. The parade sign-up sheet will be in the lobby beginning November 2nd.
