

RENDANCER NEWS

VOLUME 21, ISSUE 2 – SEPTEMBER 2018

RENDANCE ACADEMY, INC.

PARENT OBSERVATION

****New**

We will have monthly observations during the last 10-15 minutes of every class. They will be held the third week of every month. We want to share our students' achievements and celebrate their accomplishments.

MULE DAYS INFORMATION

The Benson Mule Days Parade is scheduled for Sat., September 28th, 2018 at 10:00 AM. The Benson Chamber will release our number the week of the parade and we will share that with you at that time. Students will wear the new RENDancE tee for this year, black shorts, white ankle socks and white clogging shoes. Parents who chaperone (float or street) will need to wear the same new tee shirt and some type of black bottoms. RENDancErs on the float will wear the same outfit but tennis shoes instead of clogging shoes.

The parade begins at the end of town near Walgreens. The streets will be blocked off around 8:30 AM. You'll need to plan ahead to walk to our parade line-up as there will not be many parking spots. It'll also be hard to navigate through town.

BE RENDANCER READY!

REndancErs should all come to class with their hair secured away from the face. For the most part, a bun or ponytail work the best. It is also important that all dancers have the correct shoes to wear in their classes ASAP. RENDancErs need to wear proper shoes to successfully learn the steps. RENDancErs should wear appropriate dance attire or fitted clothing (depending on class) each week. Please let us know if you need help.
